SENIOR POEM

The Hamlin High Seniors are introduced now.
A lively bunch they are, and how.
In the lines which follow we'll try to give
A preview of the seniors and the lives they will live.

David Byer was our brilliant one.
He worked very hard but he also had fun.
A science teacher he decided to be.
He's married now and his children number three.

The nursing profession gave Ruth Ann a call
And now we see her coming up the hall.
In her crisp white uniform she looks real neat,
And everyone who meets her, gets quite a treat.

On the basketball court, Larry Lehmkuhl did fly.
Even though in studies he was a little bit shy,
He went to college, through all the way,
And he's a darn good coach to this very day.

Now Annalee Burgert was a quite different story.
She chose a nurse's career as her great glory.
That training will profit her the rest of her life,
For she also chose to become a wife.

Now you must admit that Hazel Johansen was an odd sort,
But always of good humor and a very good sport.
Here's a warning for all good men to think very fast,
For when it comes to marriage she won't be last.

A pretty girl is Susan Lydick.
Of all the boys she can have her pick.
Out of school and on her own,
In the business world she became well known.

Phil Hinton was a jolly boy.
Into the class he brought much joy.
To agricultural school he did go.
Now he teaches the right way to hoe.

'60

SENIOR POEM
(continued)

A very tall girl was Kathy Peterson.
Happy, lively, and quite full of fun.
When called upon she was ready to go.
That's why she was so much fun to know.

Music was Virginia Foster's love.
When in the mood she sang like a dove.
Now that she's learned the right way to sing,
The records she makes are just quite the thing.

Karen Pape was a lively girl.
As a cheerleader, my, she could whirl.
Like her husband, she's now a coach,
A real good one, beyond reproach.

Patricia Johansen with her lovely hair
Could do anything with a lively air.
When she did things she did them well.
And if she minded, no one could tell.

Ron Snyder was a lot of fun.
From all the girls he did run
Until one day he met a girl
Who put him in a traditional whirl.

Now it is time to say good-bye.
It seems as though we just said "Hi".
Hamlin High we really will miss
Forevermore after this.

CLASS HISTORY

On the first day of September, nineteen hundred and fifty-six, fourteen happy-go-lucky students entered the door of good ole H. H. S. to offer their few talents to the school. They were David Byer, Phillip Hinton, Larry Lehmkuhl, Rosemary Meyer, Annalee Burgert, Hazel Johansen, Kathy Peterson, Patricia Johansen, Donna Lehmkuhl, Karen Pape, Susan Lydick, Ruth Ann Carr, Wesley Duesing, and Bill Hixon. We elected David Byer to serve as President, Susan as Vice-President, Donna as Reporter, Annalee as Secretary, and Karen as Student Council member. This year Phil also served as joke editor on THE GREEN AND GOLD.

For initiation, the Seniors of '56 gave us each different outfits to wear and decorated us each with brightly colored lipstick. That night they gave a wiener roast and skating party in our honor at Sun Springs. Mrs. Buckles was our sponsor for this year. Other teachers were: Mr. Jones, Mrs. Pheiffer, Mr. Fisher, and Mrs. Jones.

In the fall of '57 only twelve of the fourteen happy-go-lucky students represented the sophomore class. They were David Byer, Phillip Hinton, Larry Lehmkuhl, Rosemary Meyer, Annalee Burgert, Hazel Johansen, Kathy Peterson, Patricia Johansen, Donna Lehmkuhl, Karen Pape, Susan Lydick, and Ruth Carr. Wesley Duesing moved to Powhattan and Bill Hixon went to California. This year David Byer served as President; Phil Hinton, Vice-President; Rosemary Meyer, Secretary; Larry Lehmkuhl, Treasurer; Annalee Burgert, Reporter; and David also was a Student Council Representative. Karen Pape was elected as cheerleader and Karen and Phil Hinton were King and Queen candidates for the Carnival. Our sponsor for this year was Mr. Moran. The other teachers were: Mr. Snavely, Mr. Kersting, Mrs. Strahan, Mrs. Pheiffer, and Mrs. Jones.

We began a rip-roaring Junior year with our lucky eleven students. They were: David Byer, Phillip Hinton, Larry Lehmkuhl, Annalee Burgert, Karen Pape, Susan Lydick, Ruth Ann Carr, Richard Blanton, Fred Hischke, Patsy Johansen, and Donna Lehmkuhl. Our class President was Ruth Ann Carr; Vice-President, Annalee Burgert; Reporter, Karen Pape; Secretary, Susan Lydick; Treasurer, Donna Lehmkuhl. The second semester we gained Kathy Peterson from Hiawatha, and Ronnie Snyder from Morrill--which made a grand total of thirteen students.

This year Karen and Donna were cheerleaders with Susan Lydick as the Halloween Candidate.

On November the fourteenth we gave our junior play, HOT-HEADED HERBERT.

'60

CLASS HISTORY

On the evening of April eighteen was the highlight of the year. This was the night that we Juniors gave the Seniors a marvelous banquet, the theme of which was SONG IN YOUR HEART. We held it in the Stephenson Hotel in Falls City, Nebraska. We had the banquet room gayly decorated with hearts, notes and balloons. Mrs. Strahan was our sponsor this year. Other teachers were: Mr. Snavely, Mrs. Vonderschmidt, Mr. Bolton, and Mr. Robison.

As we began our last important year in school we have twelve students. Our class officers were: President, Phil; Vice-President, Susan; Secretary, Kathy; Treasurer, Karen; Pape and Donna Lehmkuhl were cheerleaders. Ronnie was the Homecoming King with Karen Pape as Queen.

David Byer was elected as the editor of the GREEN AND GOLD with Annalee Burgert as editor of the HORNET.

On March 29th we gave our Senior Play Midnight Son. For our class mottowe chose "The Door to Success Is Labeled Push." Our class colors are silver and blue and the class flower is the Red Rose.

This is the history of our class but we cannot let it go without mentioning the lessons, the ball games, the last bell, the walk down to the lunch room, and the slamming of the lockers when the busses arrive.

CLASS PROPHECY

As this reporter makes his first stop on the space station between the earth and Mars in this year 1970, we meet David Byer, who is a great space scientist carrying on governmental experiments on this station. David is married to a Venusite from Venus.

David tunes us in to visit all the other graduates of the class of '60.

First we visit the home of Karen Pape--the first of the class to be married. She is working as a commercial-demonstrator on Space-O-Rama. Karen demonstrates the use of the solar heat in cooking and uses her five children and husband as guinea pigs to test the food.

Next we visit Larry Lehmkuhl in his office, where he coaches his basketball team with his visual phone. He is resting up before going home to eat the food his wife prepares in her test kitchen.

As we swing around to New York, we visit Kathy Peterson, who is running a modeling and charm school. She has changed many shy people into well-known celebrities. Kathy is on her way to the veterans' hospital, where she chances to meet Patsy Johansen, who is head nurse. But we don't know for how long, for there are many young handsome doctors running around loose.

Next we skip across the country to Los Angeles where we see Phil Hinton. He is well-known in the city as a playboy. His motto is "Love and Leave 'em."

Also stationed near Los Angeles is Richard Blanton, where his ship has just docked after a long voyage around the world. As recreation, he plays on the Navy Basketball Team.

Skipping across the desert to Las Vegas, we find Ruth Ann Carr. She has been working here as an undercover police woman for ten years. She is unmarried and has been a great help in cleaning up the city.

Next we visit Reno where we find Virginia Foster singing Opera in a night club. She has made unaccounted millions in her work.

'60

CLASS PROPHECY

As we move eastward, we see Hazel coaching her football team in Denver, Colorado. She is very proud, and having just won the world championship, she intends to tour the universe playing exhibition games.

As we look in on Ron Snyder, we see him in his plush office at the Snyder Motors Incorporated. He is busy making plans for next year's newest model.

After Susan Lydick finished her college education, she met a certain young manufacturer who she decides is the right man for her. As we look in on these two, they are walking down the aisle to say those famous words: "Till death do us part." We wish them the best of luck.

1959-60 BASKETBALL SEASON

Prospects looked pretty good as practice opened last November with only two boys missing from the entire squad of the previous year. The top 5 boys included Richard and Oren Beach, Gary Gilbert, Ron Snyder, Larry Lehmkuhl and Jesper Meyer, followed by Bill Carr, Bobby Lehmkuhl, Ron Gerdes, Larry Moore, Jim Sauer, Phil Hinton, and James Moyer. Freshmen on the squad were Roy Johansen, Robert Gruber, Ronnie Jones, Paul Middendorf, Dennis Sweezey, and John Foster.

The Hornets opened the 1959-60 basketball season with two convincing wins against St. Benedict and Morrill before losing to Fairview by a 48-40 score. Fairview had one of the outstanding teams in Northeast Kansas, winning 20 games before losing their first game in the finals of the district.

The team then traveled to Carbondale, where Coach Robison had graduated from high school. There the team suffered a 53-48 loss. Following this loss things picked up as the team won their next four games before another slight slump. Going into the Brown County Tourney, our overall record was 9 wins and 6 losses. After beating Robinson in the first round, we came up against our old nemesis, Powhattan, and despite the loss of Oren Beach, who was ill, managed to win the game by 43-37. In the battle for first place, Fairview just had too much power and handed the Hornets a 39-23 defeat.

In the District Tourney Elwood was Hamlin's first round opponent, and the Hornets managed a 56-40 win to advance into the semi-finals against their arch-rival Morrill. This proved one of the most exciting games of the season as the Hornets won a cliffhanger 59-56 in overtime. In the finals of the District, the Hornets played the best team they had faced all season, and were beaten 75-53 by Netawaka, who went on to place fourth in the State Tournament at Dodge City.

In regional play, a good Corning team with height to spare beat the Hamlinites 71-64 in a close hard-fought game.

The only Seniors who will be missing from next year's team are Larry Lehmkuhl and Ron Snyder. The individual scoring leaders for the year were Richard Beach 337, Larry Lehmkuhl 321, Oren Beach 228, Jesper Meyer 169, Ron Snyder 58, and Gary Gilbert 47.

"B" TEAM

The "B" team had no where to go this season but up since their record in the previous year was no wins and 15 losses.

This year they won 4 of their first 5 games and went on to a season's record of 7 wins and 10 losses. The individual scoring for the season was as follows: Bobby Lehmkuhl 147, Ronnie Gerdes 130, Bill Carr 103, Larry Moore 48, Jim Sauer 45, Phil Hinton 28, James Moyer 26, Ronnie Jones 14, and Roy Johansen 9.

The only senior who will be lost from this year's "B" team squad is Phil Hinton so maybe we can look for continued improvement next year with almost the entire squad returning.

SOFTBALL

The Hornets managed to win the softball trophy after losing their season's opener to Morrill by a 14-11 score. They followed this loss with 3 straight wins over Willis and 2 wins over Morrill to win going away. The lineup for most of the games was as follows: Bob Lehmkuhl, catching; Jeeper Moyer, pitching; Oren Beach, first base; Gary Gilbert, second base, Larry Lehmkuhl, shortstop Ron Gerdes, third base; Larry Moore, or Robert Gruber, left field; Richard Beach, center field; and Phil Hinton, right field with James Moyer and Bill Carr the top utility men.

TRACK

Track at Hamlin picked up considerably this year, as a total of 16 points were scored in the county meet as compared to 4 2/3 one year ago.

Three boys qualified for the regional, to be held at K. U. Bill Carr won the polevault, breaking the county 10' 9 1/2" record which had stood since 1940, by clearing the bar at 10' 10". Larry Lehmkuhl earned 7 points by winning the javelin (143' 3 3/4") and placing 4th in the 880 yard run. Ronnie Jones, a freshman, got a fourth in the mile (5:11) and our 880 relay placed fifth (Ronnie Jones, Jeeper Meyers, Oren Beach and Richard Beach) as did the medley relay (Oren Beach, Robert Gruber, Ronnie Jones, and Phil Hinton).

A year ago Larry Lehmkuhl was the only boy to earn a letter in track while this year a total of 8 boys will letter. Prospects for next year's track squad are encouraging as Larry Lehmkuhl and Phil Hinton will be the only member of the squad graduating this year.
